

Image A Advertising details: Price: \$1000.00

This space will allow for an excellent viewing for your company office or store front. This advertising option is a great one for your business to introduce you to the viewer. Your company picture can be made zoom-able to display the finer details of your business up close. The company brief is best viewed without the scroll-bar but when scrolled, can display your company introduction to your clients. This package includes both the brief and detail area for scrolling. The large text area is for full details and can be made available for scrolling if your company requires more than sixteen lines of text. The detail area can be made printable for your clients to carry with them. This package includes "print option". The brief area is not printable however. The background for both areas can be colored to enhance the view or left plain white. Your listing can be found by the client doing a simple search as seen in image H (Search Advertisers Help). This screen is very attractive in full screen viewing. Our cdrom offers nine regions for discovery by the BC visitor. Please choose what region you wish to be listed in. When the viewer does a search, they will be given an option of leaving the region to display their search query.

This advertisement - placement is an excellent one for your company exposure. To advertise in our cdrom, please complete our [advertiser form](#) and get started today.

Image B Advertising package details: Price: \$900.00

This space as seen will allow for your company picture or other inviting picture. This picture can be made zoom-able for better viewing and is included with this advertising package. Your company brief and full details can be available for scrolling but only the detail area can be made for print to your clients. This advertising package includes the "Print option" and scroll for the main company details and company brief section. This full screen is an excellent invitation to your clients. Both the small area and the large detail area (print area) are more than capable of inviting your clients to your business. Your advertisement is found by the "Search, Advertisers Help" option by the viewer. Your advertisement is assigned to the region you serve as a business but search entire cdrom is an option to the viewer, so you could be picked while the viewer is in any region.
